# Celebrating 65 Seasons of Community Theatre!

# 2023-2024 MAINSTAGE SEASON

# 2023-2024 MAINSTAGE SEASON

Just after midnight, a snowdrift stops the Orient Express in its tracks. The luxurious train is surprisingly full for the time of the year, but by the morning it is one passenger fewer. An American tycoon lies dead in his compartment, stabbed eight times, his door locked from the inside. Isolated and with a killer in their midst, the passengers rely on detective Hercule Poirot to identify the murderer – in case he or she decides to strike again.

Roald Dahl's Willy Wonka follows enigmatic candy manufacturer, Willy Wonka, as he stages a contest by hiding golden tickets in five of his scrumptious candy bars. Whomever comes up with these tickets will win a free tour of the Wonka factory, as well as a lifetime supply of candy. Four of the five winning children are insufferable brats: the fifth is a likeable young lad named Charlie Bucket, who takes the tour in the company of his equally amiable grandfather. The children must learn to follow Mr. Wonka's rules in the factory... or suffer the consequences.

As the British Industrial Revolution dawns, young Ada Byron Lovelace (daughter of the flamboyant and notorious Lord Byron) sees the boundless creative potential in the “analytic engines” of her friend and soul mate Charles Babbage, inventor of the first mechanical computer. Ada envisions a whole new world where art and information converge—a world she might not live to see. A music-laced story of love, friendship, and the edgiest dreams of the future. Jane Austen meets Steve Jobs in this poignant pre-tech romance heralding the computer age.

In this delightful, laugh-a-minute comedy, four unique Southern women, all needing to escape the sameness of their day-to-day routines, are drawn together by Fate—and an impromptu happy hour—and decide it's high time to reclaim the enthusiasm for life they've lost through the years. Over the course of six months, filled with laughter, hilarious misadventures, and the occasional liquid refreshment, these middle-aged women successfully bond and find the confidence to jumpstart their new lives. Together, they discover lasting friendships and a renewed determination to live in the moment—and most importantly, realize it's never too late to make new old friends.
