## Workshops (included in camp fee/schedule)

- MCT provides three workshops during camp and has the below four options to choose from. We will choose which three based upon interest:
  - **Acting:** “All the world’s a stage,” and all your students, merely players! This workshop explores the basic tools of an actor’s trade - observation, memorization, concentration, and imagination - in an entertaining way. The students participate in fun exercises, learning to apply the actor’s tools to performing and their everyday lives.
  - **Mime:** Actions speak louder than words! This workshop will equip the students with essential tools for non-verbal expression. By practicing precise isolations, physical illusions, and deliberate body language, the students will tell compelling stories through the power of movement alone.
  - **Improv:** Listening, creativity, bravery – all important skills for the Improv Actor to hone. This workshop emphasizes teamwork and “all-in” participation as the students learn to act without a script. Students of any level of experience will be successful in this workshop.
  - **Playwriting:** Playwriting – the art that transforms words into worlds. This workshop introduces story-telling concepts that will keep the audience on the edge of their seat! Students will learn the basics of creative thinking, plot structure, and character development in this dynamic storytelling workshop.
- Please rank your student's preference of workshop options (1<sup>st</sup> Choice-4<sup>th</sup> Choice)

## Program Fees & Tickets

- After registration is complete, an EDP staff member will reach out to you directly for payment. Full Payment (\$325) is required at time of registration. MCT may have assorted sizes of t-shirts onsite during the week of camp if you would like to purchase additional shirts for \$16.00 each. They will take payment via cash, check, or card. The T-shirt price is set by MCT, and all proceeds go directly to MCT and their directors (not EDP).
